Many Thanks to our Judges: Marsha Gertenbach and Bob Privett who spent numerous hours sorting through the submitted work to find the winners!.

Much Appreciation to the numerous people that took their time to put this show together— from the planning meetings to the paint & patch team. They worked the take-in, made phone calls, hung the show, put on a great reception, staffed the gallery, and for those who will restore and clean the gallery for the event. Special Thanks to all who participated in this year's show!
